

# PRIMARY STEM CURRICULUM CONFERENCE

Join us for our online Primary STEM curriculum conference. This conference will run across two dates, Wednesday 7th July and Thursday 8th July 2021. With a range of workshops available for you and your colleagues, we will be focusing on curriculum development and delivery. Participants will be able to attend up to 5 workshops and our guest keynote speaker between the two days. We are delighted to welcome as our keynote speaker, the fantastic Lee Parkinson who is also known as 'ICT with MR P'.

## Lee Parkinson

Mr P, has been a Primary School Teacher for 13 years, during which time he has built a wealth of ideas for how technology can be embedded right across the curriculum. Through his humorous and engaging approach to life in the classroom, he has been able to support and help teachers transform their curriculum to inspire, empower and make learning more purposeful and accessible for their pupils.

## Wednesday 7th July and Thursday 8th July 2021

The cost of the conference is per school, only one teacher from your school will have to book on. They will be the point of contact and the person who shares the joining instructions with fellow colleagues.

Early bird price up until Friday 11th June at 15:00 - £80 per school

Full price - £100 per school

**BOOK NOW**

# PRIMARY STEM CURRICULUM CONFERENCE

## LEE PARKINSON

Lee Parkinson, Mr P, has been a Primary School Teacher for 13 years, during which time he has built a wealth of ideas for how technology can be embedded right across the curriculum. He now leads CPD and INSET throughout the UK and beyond focusing on raising standards in the classroom through technology. Through his humorous and engaging approach to life in the classroom, he has been able to support and help teachers transform their curriculum to inspire, empower and make learning more purposeful and accessible for their pupils. Mr P is passionate about helping as many teachers get a decent work/life balance. He takes a blunt and frank approach to certain classroom practices before sharing ideas and approaches that help raise standards without creating unnecessary workload.
